

**Hi Families**, Welcome back to another week! I hope you all had a restful weekend and enjoyed the warm weather! Here are some important updates for the week ahead:

Medical Conditions – In order for us to ensure the health and safety of all children and staff who attend our ELC, it is imperative that our families communicate with us when their child is unwell or has been diagnosed with an illness or contagious disease. Feel free to contact us via phone call, text message or email.

New Xplor App – If you have not already done so, please download the new Xplor app from the app store so you can keep up to date with everything that is happening here at Chabad Malvern ELC! Brannan is our Xplor expert, and she is available to meet with you if you require assistance navigating the new app. There are lots of new features to discover, including a new way to sign in and out. Please feel free to book a time in to chat with Brannan should you need any help.
